Company Profile

Zhejiang Fanen Smart Home Co., Ltd.

ZheJiang Fanen Smart Home Co.,Ltd. is a professional stainless steel vacuum bottles supplier in Zhejiang, China. Our factory is located in Wuyi, very close to Yiwu air port.

We have almost 400 skilled employees, R&D team with 11 outstanding designers and more than 60 experienced managers. We are equipped with high productivity machines. 11 automatic pipe drawing machines.11 metalworking production lines,including 6 automatic robot metalworking line.55 sets of welding machines.9 polish line with two inspector each one. 4 vacuum machines. 2 automatic and 2 hand spraying painting line and 1 automatic powder coating line.10 packing line.It can produce more than 10,000,000 pcs of bottle each year.

Our R&D department provides strong technical support and enables us to do OEM&ODM projects. Offers our customers a 15 days lead time of opening steel molds and 50 days lead time of opening plastic molds, according to the appointed drawing or samples. We can produce at least 40,000 pcs bottles per day.

We have a professional sales team and competitive price superiority. We export to over 15 countries, especially the USA, Asia and Europe. We implement the LP management, in order to adapt both mass production and small batch production, we conduct 6S as our basic on-site management to minimize the costs and the lead time.

We obtained certificates of BSCI,SEDEX 4P,DISNEY,ISO9001, 14001 ,45001 to fit our customers' demands.

We hope to be one of your business partners to grow together.
